Rape Prevention Program: In an effort to educate the women on campus about self-defense, a program will be offered on five Thursdays from 3:00-4:00 pm. The program dates will be Feb. 7, 14, 21, 28 and March 6. Rape prevention is something about which all women should be aware. The cost is \$5.00 payable to Carole Enneking in GA 015. Advance registration is necessary.

Hug-a-thon: Spend Valentine's Day hugging friends and also raising money for a good cause. The Crossroad Crisis Center in Lima will be the recipient of money raised from the Hug-a-thon. Just get people to pledge for every hug you give, and then go out and hug on Valentine's Day. Pick up pledge sheets in GA 015.

Movie: "The Caddy" starring Jerry Lewis and Dean Martin will be shown on Tuesday, February 7, from 1:00-3:00 pm in GALVIN 118.

Valentine's Day: The Student Senate Community Services committee is planning to sell carnations on Valentine's Day. Proceeds will go to the Heart Assoc. Support a good cause and buy your sweetheart a flower.

Black History: February has been designated as Black History Month. The Minority Student Association is planning events in remembrance of the black history of America. February 18 will be the date of the Soul Food Dinner and Gospel Concert. Both events will be held in the Cafeteria. The dinner (4:30 pm - 7:00 pm) will include chicken, ham, macaroni and cheese, greens, and more, for just \$5.00/person. The Gospel Concert will follow at 7:00 and will feature local gospel groups. Tickets for the concert will be \$3.50. If you attend both events, the cost will be \$7.50. Take part in this event, it is your chance to experience another part of America.

Noon Entertainment: The Ohio Northern University Jazz Band will be featured in this week's Noon Series program. Be sure to stop by Cook Hall Lobby between 12-1 on Thursday to hear these talented college students.

Health Field Information: The LTC Placement Center is sponsoring Health Technologies Days from Feb. 16 - March 8. These sessions will be an opportunity for 1984 graduates in nursing, radiology and respiratory therapy to learn about actual job sites. Twenty-eight health institutions will be participating in these sessions. See Bob Burnett (GA 205) for details.

Campus Ministry: The Campus Ministry is looking for people who are interested in serving on their advising board. Responsibilities include attending monthly meetings (usually held from 12-1) and helping with programs. See the Campus Minister on duty from 11-1 in Cook 209, or call Sue Bennett (Coordinator of Campus Ministry) at 228-8137.
